On behalf of the 1 in 3 people whose lives are directly affected by your generous gift...

Thank you!

I believe in my community. I believe that its success depends on the people who live in it. **That everyone has something to contribute.** That everyone deserves respect. **That everyone's potential can be realized.**

That diversity is vital. **That every person has value.** That everyone needs help and everyone can offer help.

That a safe, supportive community is everyone's responsibility. I believe in possibility.
